Dear Sirs: I recieved an email about a month ago that this case was dropped?
I am not a computer person and found the questionnaire. How do I insert the answers on this format?
Also as it appears on the form you have me living in Minnesota? That is where the trailer was
manufactured that installed the tires.
I have, if I remember the photos of the one tire that seperated and still have the last tire saved incase
but will go out for Bulk Trash pick up next friday if it isn't needed.
